Subject: Overview of the Board Sunset Review

According to current law, boards and bureaus operating under the Department of Consumer Affairs (DCA) must undergo periodic "sunset review." This process of legislative oversight was established in 1994 for professional licensing programs. Oversight hearings are jointly conducted by the Assembly Committee on Business and Professions and the Senate Committee on Business, Professions, and Economic Development.

Annually, a selection of boards and bureaus must submit detailed reports to these committees, outlining their operations and performance. These reports, along with staff reports from the committees, form the basis for public hearings on each program. These hearings also offer stakeholder groups an opportunity to provide feedback on the performance of the board or bureau.

Under the 1994 law, each board and bureau had a "sunset" date specified in its authorizing statute. Without legislative action to extend this date, the board or bureau would cease to exist. If a board or bureau was found to be operating satisfactorily, the committee would propose legislation to extend the sunset date, typically by four years. If not, a shorter review period would be required. Sunset bills can also serve as a means to enact significant changes related to a program.

The Board's last sunset date was January 1, 2020. Due to the COVID-19 pandemic, sunset hearings were delayed until 2020, and subsequently, the Board was granted a four-year extension on January 1, 2022, setting its current sunset date to January 1, 2026. Legislation will be needed in the 2025 legislative session to extend the board's existence beyond that date, typically sponsored by the Senate Committee on Business, Professions, and Economic Development.

The Board's sunset review document is a comprehensive report addressing questions regarding its operations, performance, and past issues. This report includes statistics, procedural information, and will detail the Board's work since 2021. A draft report will be presented at the Board's September meeting, with a final report scheduled for approval at the November meeting for submission to the Committee. The Board's sunset review

report is due in December of 2024, and public hearing dates are expected to be announced in January 2025. A copy of the Board's 2019 sunset review can be found on its website ([2019 BBS Sunset Review Report](#)).

Attached for your reference is the report format that will be used for the Sunset Review Report.
