## EXAMINATION PASS RATES

The table below reflects the examination totals of all exams for the current and prior quarters as well as the first-time test takers with the percentage of those who passed.

A total of 6,960 exams were administered in the 1st quarter of FY 2025/2026. This represents an approximate 9.3% increase in exam administrations from the 4th quarter of FY 2024/2025. For a detailed view of the school pass rate, please see Attachment A-Exam School Report 1st Quarter FY 2025-2026.

In an effort to determine the factors contributing to the lower pass rates on the California LPCC Law & Ethics Exam, the Board initiated an in-depth review of the results. Board staff requested that the Office of Information Services (OIS) generate a report containing specific data- such as demographics, education, and exam history, covering a five-year period.

On October 17, 2025, the LPCC pass rate data was provided to Office of Professional Examination Services (OPES) staff for analysis. OPES anticipates presenting its findings to the Board at the February 2026 Board Meeting.

### **EXAMINATION DEVELOPMENT**

Between July 1, 2025, and September 30, 2025, a total of 11 examination workshops were conducted. Eight workshops were held in person at the Office of Professional Examination Services (OPES), and three were conducted at remote locations.

The workshops covered the following:

- LCSW- Item Writing, Item Review, and Exam Construction
- LEP- Item Writing, Item Review, and Exam Construction
- LPCC- Item Writing, Item Review, and Exam Construction
- LMFT (Clinical)- Exam Construction
- LMFT (Law & Ethics)- Exam Construction

The Board continues to collaborate with OPES on the recruitment of Subject Matter Experts (SMEs) for the various Board administered exams.

### **ASWB NEWS/ACCOMMODATIONS**

As part of its continued efforts to enhance the candidate experience, the ASWB is updating its policy on approval periods for nonstandard testing arrangements.

Previously, approvals for accommodations related to disabilities or health conditions were valid for one year. Beginning October 15, 2025, most approvals will no longer have an expiration date. Temporary needs, such as those related to pregnancy or short-term injuries, will continue to include an expiration date.

Candidates who received approval within the past five years (including those with a current valid approval) may request to convert their approval to the new open-ended format.

Candidates whose approvals are more than five years old will need to submit a new request form. If a candidate's needs change, they must notify ASWB.

To stay aligned, the Board has revised its ESL accommodation policy to allow for open-

ended approvals. However, if an accommodation was granted based on a TOEFL-iBT score, the approval will continue to be valid for two years from the test date, in accordance with CCR §1805.2.

## **PEARSON VUE NEWS**

### **Security Wanding Pilot**

Beginning mid-October, Pearson VUE began piloting the use of security wands at select Pearson Professional Centers (PPCs).

Due to the increased sophistication of covert recording devices, wanding provides an additional layer of protection against potential security breaches. As technology becomes more sophisticated, the wanding devices go beyond traditional metal detectors, enabling the detection of small cameras and other concealed devices.

Two types of wands will be used:

1. Infrared: This device will scan for hidden cameras using infrared technology.
2. Metal detection: If the infrared wand identifies a potential threat, a secondary wand will be used to detect small amounts of metal that may indicate the presence of concealed electronic devices.

Test center staff have been trained and will ensure the wanding process is carried out professionally and with minimal disruption to the candidate's experience. If a candidate refuses to be wanded during the pilot, the PPC will allow the candidate to test, and Pearson VUE will alert the Board of the candidate's refusal.

### **Identification (ID) Policy**

Within the next 60 days Pearson VUE will be making significant changes to their ID Policy.

Change #1- Acceptance of digital IDs. A digital ID is an electronic representation of a government-issued identification credential. Digital IDs are typically encrypted and stored on a mobile device.

Change #2- Eliminating the requirement for signatures on IDs. Their decision follows a thorough review, which revealed that historically, comparison of candidate signatures almost never resulted in a candidate being turned away, and some government-issued IDs do not include a signature. Data found that the signature requirement was not improving their security but rather turning away valid candidates for reasons that were not defensible.

Pearson VUE is confident these changes will improve the candidate's experience without degrading examination security.

## **STAFF CHANGES**

Effective October 15, 2025, Sabrina Guerra-Anderson promoted to the role of SME Coordinator. Sabrina previously served as the Board's accommodation liaison.

Recruitment efforts to fill the accommodation liaison position are currently in progress, with the position expected to be filled by the end of the year.
