## **INSTRUCTIONS FOR LIVE SCAN FINGERPRINTING AND PRIVACY NOTICES**

Live Scan Fingerprinting is available only in California. Live Scan fingerprint results will be submitted to the **Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI)** electronically.

If you need to have your fingerprints taken in another state, you must use the "hard card" fingerprint method. To request hard cards and instructions, send an email to [BBS.Fingerprint@dca.ca.gov](mailto:BBS.Fingerprint@dca.ca.gov) with "Fingerprint Hard Cards" in the subject line, and include your mailing address. Please be advised that the DOJ processing time for hard card fingerprints is a minimum of 8 to 12 weeks, or longer. In order to avoid processing delays and additional costs that result from invalid fingerprint cards, fingerprints must be taken at a law enforcement agency in the state of residence.

### **Fingerprint Fees - Paid to Live Scan Site**

If you have your prints taken via Live Scan, you must pay the fingerprint fees below **directly to the site** where you have your Live Scan fingerprints taken:

DOJ FINGERPRINT PROCESSING FEE: \$32.00

FBI FINGERPRINT PROCESSING FEE: \$17.00

**In addition to these processing fees, there may be a service charge associated with the Live Scan site you visit.** The Live Scan service site will collect the above fees at the time you are fingerprinted. The Live Scan service charge may vary from location to location.

### **Complete the Request for Live Scan Service Form**

You must complete and submit the attached *Request for Live Scan Service* form at the Live Scan site. Make sure that the information provided in Section 3 of the form matches the information on your BBS application. Once your fingerprints have been scanned, the Live Scan Operator will complete Section 4 of this form and return the second and third copies to you.

**The second copy of this form, with Section 4 completed by the Live Scan Operator, must be MAILED to the BBS in order to retrieve your fingerprint results from the DOJ.** Retain the third copy for your records as a proof of payment.

## **Live Scan Fingerprint Locations**

You must visit an approved Live Scan Service Site. Most local Police and Sheriff Departments offer the Live Scan fingerprinting service. Some large school districts, passport services, and stores with generalized fingerprinting expertise may also offer Live Scan. A current listing of Live Scan sites is available on the DOJ website at <https://oag.ca.gov/fingerprints/locations>.

**Consider calling the Live Scan service provider for hours of operation, fees, and appointment times if necessary.** You must present valid photo identification (i.e., driver's license, military ID, or passport) at the Live Scan site.

### Privacy Act Statement

---

**Authority.** The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

**Principal Purpose.** Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

**Routine Uses.** During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental, or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

### Noncriminal Justice Applicant's Privacy Rights

---

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification<sup>1</sup> that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.<sup>2</sup>
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.<sup>3</sup>

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.<sup>4</sup>

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks>

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.) *You can find additional information on the FBI website at <https://www.fbi.gov/about-us/cjis/background-checks>*
