Board of Behavioral Sciences

The seal of the California Board of Behavioral Sciences is a circular emblem. It features a central figure, likely a personification of Justice or a similar allegorical figure, holding a scale and a sword. The figure is set against a background of a landscape with mountains and a sun. The words "CALIFORNIA BOARD OF" are inscribed along the top inner edge of the circle, and "BEHAVIORAL SCIENCES" along the bottom inner edge. The word "EUREKA" is written in the center of the seal, above the figure.

DISCIPLINARY GUIDELINES

Revised: ~~May 21, 2004~~ November 2008

INTRODUCTION

The Board of Behavioral Sciences (hereinafter “the Board”) is a consumer protection agency with the primary mission of protecting consumers by establishing and maintaining standards for competent and ethical behavior by the professionals under its jurisdiction. In keeping with its mandate, the Board has adopted the following recommended guidelines for the intended use of those involved in the disciplinary process: Administrative Law Judges, **licensees** respondents and attorneys involved in the discipline process, as well as Board members who review proposed decisions and stipulations and make final decisions.

These guidelines consist of two parts: an identification of the types of violations and range of penalties, for which discipline may be imposed (Penalty Guidelines); and model language for proposed terms and conditions of probation (Model Disciplinary Orders).

The Board expects the penalty imposed to be commensurate with the nature and seriousness of the violation.

These penalty guidelines apply only to the formal disciplinary process and do not apply to other alternatives available to the Board, such as citations and fines. See Business and Professions Code Section 125.9 and Title 16 California Code of Regulations Section 1886.

PENALTY GUIDELINES

The following is an attempt to provide information regarding violations of **laws statutes and regulations** under the jurisdiction of the Board of Behavioral Sciences and the appropriate range of penalties for each violation. Each penalty listed is followed in parenthesis by a number, which corresponds with a number under the chapter "Model Disciplinary Orders." Examples are given for illustrative purposes, but no attempt is made to catalog all possible violations. Optional conditions listed are those the Board deems most appropriate for the particular violation; optional conditions not listed as potential minimum terms, should nonetheless be imposed where appropriate. The Board recognizes that the penalties and conditions of probation listed are merely guidelines and that individual cases will necessitate variations which take into account unique circumstances.

If there are deviations or omissions from the guidelines in formulating a Proposed Decision, the Board requires that the Administrative Law Judge hearing the case include an explanation of the deviations or omissions, including all mitigating factors considered by the Administrative Law Judge in the Proposed Decision so that the circumstances can be better understood by the Board during its review and consideration of the Proposed Decision.
